Hearing & Vision Screenings Genesee County Health Department

No child is too young to be screened!

Genesee County Health Department's Hearing and Vision screenings are free and meet the requirements for entry into kindergarten. Health Department technicians screen children ages 3 and older. Children under three years old are to be tested by their primary doctor. To schedule a hearing and vision appointment for one of the Friday screening clinics call, 810.257.3193. Walk-in service is available when time allows. Hearing and Vision office hours are: 8 am - Noon and 1 - 4 pm.
