

# SPEAK to Your Health! COMMUNITY SURVEY

Tell us your story.

The *Speak to Your Health! Community Survey* was designed by local community organizations, university partners and the Genesee County Health Department to identify, monitor, and understand community health and quality of life concerns in Genesee County.

*The survey covers:*

- Physical Health
- Mental Health
- Lifestyle + Health Behaviors
- Healthcare Access + Use
- Healthcare Coverage
- Neighborhood Conditions
- Trust in Community Leaders
- Discrimination
- Water Quality
- Violence + Crime
- Coronavirus (COVID-19)

*Data has been used in:*

- City of Flint Master Planning
- Genesee Health Plan Millage
- Health Program Planning & Evaluation
- Grant Proposals
- Community Education
- Health Department Strategic Planning
- Policy Development & Advocacy

Take the 2020 survey today!
